<ul style="list-style-type: none">- HTML- CSS- React- JavaScript- Python	

PROJECT SCOPE

Trainee Web Developer | ITonlinelearning Ltd.

- Embedded documents within the HTML documents by using Iframe tags to specify inline frames whilst creating and adding links, images, and other media to the website.
- Utilised HTML to develop the website content including a landing page with three additional pages namely contact, about and FAQ.
- Created, edited, and manipulated web typography as well as created and embedded link lists and tables into pages.

Thank you for your
consideration.

- Maintained site formats and structural integrity by defining elements and content using the CSS3 box model.
 - Developed a personalised website as part of the web development programme final assignment.
 - Utilised multiple style attributes to set the style of HTML elements and therefore style webpages.
 - Explored various website hosts taking into consideration type, security, features, and pricing.
 - Determined the theme of the website in order to be eye-catching and user friendly.
 - Used CSS3 Dynamic Properties using transformations, transitions, and animations.
 - Created HTML webpages using HTML Editors such as Visual studio, Notepad and Brackets
 - Selected a subdomain in order to obtain the domain URL.
-

WORK EXPERIENCE

Warehouse Associate | Amazon UK

2021 – Present

- Scanned and inspected merchandise and packages to ensure there were no damages and that they met the given standards & customer expectations.
- Moved products and packages to designated locations quickly and efficiently including the assembly, wrapping, transporting, and sorting of pallets.
- Abided by the organisation's internal procedural standards and regulations while also following and applying safety guidelines.
- Utilised technology like scanners, computers, and handheld printers to assist in maximising productivity and improving efficiency.
- Operated machinery, carts, hand trucks and dollies to move high quantities of merchandise from one point to another.
- Removed or addressed identified hazards in the warehouse or general workplace to establish a safe working space.

Exam invigilator & Early years practitioner (Level II) | Swindon Academy

2021 –2022

- To ensure exams are taken in a comfortable environment.
 - To support candidates: helping them find their seats, to understand how to comply with regulations and to answer any questions.
 - To give the invigilator announcements before exams start, either by using a microphone or projecting your voice.
 - To monitor students' attendance and behaviour in the examination room carefully and to ensure compliance with procedures and regulations is followed.
 - In an emergency, to work with colleagues to organise candidates' the exit of candidates from the venue quickly and safely.
 - To attend briefing meetings before each set of examination periods start, to discuss new developments.
 - To give evaluative feedback on colleagues and procedures requested.
